January 9, 1979

Admiral Stansfield Turner
Director
Central Intelligence Agency
Washington, DC 20505

My dear Admiral Turner:

STATINTL

I have your recent letter which was delivered to me recently by the [redacted]. I am most pleased to advise you that I can accept your very kind invitation to join with a number of other university presidents on February 15, 1979 for a day at the headquarters of the Central Intelligence Agency.

I am making some modification in travel plans by virtue of your very kind invitation, but I believe that it will be necessary for me to depart from National Airport no later than 5:30 p.m. on February 15. I hope that this will not significantly interfere with the program which you have arranged for us.

I certainly hope that your son who completed his academic program at Oregon State University has had a successful experience during the last seven years. We like to keep track of our alumni, and I will look forward to an opportunity to chat with you briefly about what he has been doing and what the future holds for him.

Very truly yours,

Robert MacVicar
President
